Reference for Martin Presse

August 13, 2025

To Whom It May Concern,
I am pleased to recommend Mr Martin Presse for an ESL teaching position in Canada. As Academic Coordinator at Cornerstone College of Alberta (CCA), I supervised Mr Presse during the practicum component of our Online TESOL Canada Diploma from May 5, 2025 to July 12, 2025, totalling 50 hours of classroom exposure, including 16 hours of supervised live teaching.

- Designed task-based lessons aligned to CLB 5–8; average reading scores improved by 16%.
- Integrated Google Classroom within a PBLA-style workflow; on-time homework submission reached 94%.
- Maintained 98% attendance through inclusive classroom management and clear expectations for adult newcomers.

Throughout the practicum, Mr Presse demonstrated professionalism, reflective practice, and a strong commitment to inclusive instruction. Based on these achievements, I am confident he will make an immediate, positive impact in any Canadian ESL program.
